

Little Kanawha District Performing Arts Ministry

Introduction Letter

Hello, members of the Little Kanawha District of the United Methodist Church,

My name is Robin Kelby, and I am the liaison for a brand-new ministry in our district, the Little Kanawha District Performing Arts Ministry (LKD-PAM). We have a vision for a ministry in our district to engage church leaders in connectional service with others, and evangelical ministry through the performing arts. This ministry has grown out of a desire to recognize and promote the amazing performing arts ministries in our local churches, as well as to join together for productions that no one church could accomplish alone. We are a connectional church, part of the body of Christ.

We are founded and led by Rev. Robin McQuain, Rev. Rod Blanchard, Cassie Kile, and Davina Bell. Each of us is passionate about this ministry because of our own experiences in the performing arts. Music, singing, dancing, theatre, puppetry, drama, and the arts are all ways we praise and glorify God. We are seeking to lead Spirit-filled productions that reflect Scripture and ministry in our communities. We hope to engage people from all over our district, including church members, those without churches, clergy, laity, children, youth, adults, and seniors. We will make our ministry open to all and free of charge.

We need YOUR help! Yes, you! We want to connect with people and churches all over our district to learn about performing arts ministries in our churches. We invite anyone who is currently involved in a performing arts ministry, curious about this ministry, or interested in becoming involved to fill out our contact information form available on our website listed below. We also invite the people of our district to pray for this ministry and the lives that it will touch.

For more information, please visit our website at <https://www.lkdumc.org/lkd-pam> or our Facebook page at <https://www.facebook.com/LKDPAM/>.

Peace in Christ,

Robin Kelby
