## Lubeck UMC Lunch-SAK Program

Volunteers gather every other Wednesday to pack Lunch-SAKs for 310 children (and those living in the same household with them) who attend Lubeck and Blennerhassett Elementary schools. They are providing enough food for 2 meals on Saturday, and 2 meals on Sunday. Rodney and Denise Starcher, our Lunch-SAK coordinators, were at Sam's Club, going through the checkout lane, when a cashier asked what they were doing with the large amount of individual-sized food products. Rodney told her that they were part of the Lunch-SAK program at Lubeck, feeding children at both Lubeck and Blennerhassett Elementary schools. The cashier told Rodney, "You saved my life!" Although he did not go into all the details, Rodney learned that this cashier would have starved had it not been for the Lunch-SAK program that helped this cashier when she was in school at Blennerhassett.

We just never know the impact we are having on someone's life.
