## How the Logan Memorial Praise Band Came Together

Don Boykin, Deric Davis, Steve Devereaux and Ricky Ray got together after attending church services one Sunday and decided to schedule a date to rehearse a few gospel songs, since we were all musicians. During rehearsals, we realized that we “clicked” well and felt that we could spread ministry while enjoying performing live. Steve Peck (St. Paul’s UMC) and Cal Malcolm (Sand Hill UMC) saw one of our performances and wanted part of the action. Thus, the Logan Memorial Praise Band was formed! We have played at various United Methodist, Baptist and AME churches and church Christmas Sings. We have even performed at the Parkersburg Homecoming, the United Methodist Annual Conference (twice) and have opened for Ernie Couch Trio, a professional traveling gospel trio. We truly enjoy spreading the gospel through our music!
