Dear Friends,

Attached you will find the *2022 Charge Conference and Clergy Interview schedule*. **WARNING!!! There are SIGNIFICANT CHANGES!!!** Specifically:

1. You **MUST** bring your completed Charge Conference forms to the annual clergy interview as well as your completed evaluation (if we don't have it). We will go over them together.
2. Charge Conferences are held the week following the annual interviews.
3. Charge Conferences will be done in parish groupings with larger parishes divided into Group #1 and Group #2.
4. If you change times with someone for the interviews, please let me know in advance.
5. If you have a conflict with your Charge Conference date that you cannot resolve on your end, notify me ASAP.

You will receive the 2022 Charge Conference forms soon, but GET STARTED WITH THE WORK NOW! You know the drill, lol! Nominations, PPRC, Finance and Trustees can all be gathering data and conducting meetings so, when the forms arrive, all you need do is fill them in.

If you have any questions, just call me! I am always happy to help. 😊

Peace, Loretta
